

# Graduate Trainee Programme

## Cultivate your future in AgriBanking!

Are you eager to start a rewarding career in Development Finance and Agribanking? Are you aspiring for a career where you can influence communities and agricultural enterprises? There's nowhere else to look! Seize the opportunity to enrol in the 1st cohort of our prestigious Graduate Program at National Development Bank (NDB) and embark on a journey of learning, growth, and innovation in the heart of Development Finance and Agribanking.

### ABOUT NDB

With our dependable credit and financial services, we at NDB are committed to making a significant positive impact on the local economy and agriculture. With a focus on innovation, sustainability, and customer satisfaction, we are redefining the agricultural experience.

### THE PROGRAM

Our Graduate Program is designed to provide you with practical experience, mentorship, and the skills necessary to excel in your chosen field. Over twenty-four (24) months, you will rotate through various departments, gaining comprehensive insight into our operations and contributing to projects.

### Why Consider NDB's Graduate Program?

- **Dynamic Learning Environment:** Immerse yourself in a dynamic and collaborative learning environment where you will work alongside passionate professionals dedicated to driving positive change.
- **Professional Development:** Receive in-depth training and comprehensive mentorship to develop your skills and expertise from seasoned professionals who are committed to guiding and supporting your career development.- Networking Opportunities: Connect with industry experts, fellow peers, and industry leaders through networking events, workshops and conferences.
- **Innovative Projects:** Collaborate on innovative projects that address the evolving needs of agriculture and local communities.
- **Career Advancement:** Receive ongoing training and development opportunities to accelerate your career growth within NDB.
- We are seeking enthusiastic, motivated, and talented graduates who are passionate about agriculture, and finance and committed to making a difference. The ideal candidates will possess:

### Education:

Graduates not later than the Class of 2022 with the following degrees;

- Data Science,
- Cyber Security Analytics
- Digital Banking,
- Process Optimization
- Agribusiness Management

The prospects should also have strong analytical, problem-solving, and communication skills, a proactive and collaborative attitude with a willingness to learn.

**Experience:** No work experience required. Previous internship is a plus, but not mandatory.

**Remuneration:** The program offers a competitive salary with benefits.

### How to Apply:

Ready to launch your career with NDB? Don't miss this opportunity to become a part of our success story and submit your application, including:

- An updated copy of your resume.
- A cover letter outlining your interest in the Graduate Program and your career aspirations.
- Certified copies of qualifications
- At least two referees contacts
